

# DoArt *with the Muddy Creek Artists*

## PAINTING SILK SCARVES

Join us for our next DoArt Painting Party on Wednesday, **September 26th from 7-9pm** and create two beautiful silk scarves. Under the guidance of fiber and watercolor artist **Lynne Gessner**, learn how to create a painted silk scarf using a unique process to transfer acrylic ink paints onto silk. The pigment used will maintain the shine and texture of the silk with no steaming necessary. We will be spreading a layer of foam (shaving cream) and applying ink drops on it. Designs will be created with the ink using wooden skewers. When the colors are blended a blank silk scarf will be gently placed on the foam to transfer the design to the scarf. This is the magic part! When the color has soaked through, the silk will be gently lifted to reveal your luxurious silk scarf.

Each participant will produce 2 scarves using a traditional light silk and a thicker satin textured silk. Your choice of colors and pattern will make every scarf unique!

We will be using acrylic ink paints and lots of foam, so wear a smock since things may get messy. However, these paints are washable until they are heat set.

Join us for a great evening of art!

---

\$40 registration fee includes expert instruction, all art materials, 2 silk scarves, desserts, and complimentary bar drink. Cash bar also available.

### Register Now - Space is limited

Register by check made to Muddy Creek Artists Guild and mail to Ruth Bailey, MCAG Treasurer, 6068 Drum Point Road, Deale, MD 20751, or register securely online using a credit card at <https://squareup.com/store/muddy-creek-artists-guild>. Visit the Guild website at [www.muddycreekartistsguild.org](http://www.muddycreekartistsguild.org) for more information. We limit class size to ensure a superior art experience for everyone—so register now!

**Wed September 26, 2018**  
**7:00pm-9:00pm**
