

DoArt *with the Muddy Creek Artists*

UNLEASH YOUR INNER ARTIST

Join us for our next **DoArt Painting Party on Wednesday, March 8** when mixed-media artist and art therapist Katerina Evans facilitates you in the creation of a one-of-a-kind and personal “Mantra Board.” You’ll learn to use a layered approach with mixed media to create a richly layered painting that speaks to your soul. Together, we’ll each select a mantra or quote, then use paint, found object stamping, and collage to create your mixed media masterpiece - no experience necessary! If you’d like to bring in personal items these can be included. We’ll supply everything you need, but it can be fun to include items like scraps of paper from your daily life, beads, wrapping paper, bits of this and that. Start collecting in a ziplock bag and see what shows up for you! Don't have that kind of stuff? No worries! We'll have everything you need. Everyone will go home with a mixed media mantra board to hang on your wall to provide inspiration every day. Join us!
